7 Weeks

Thank you that my little one already has a heartbeat and wiggles. How do you do it, God? I am amazed that she has doubled in size since last week! Please provide for the healthy growth of my little one’s rapidly growing brain cells, heart, developing kidneys, as well as her small arm and leg joints. My little one is super busy at developing, but you are never too busy to hear and answer my prayer. I am grateful to you, God.

Thank you for making me so wonderfully complex! Your workmanship is marvelous—how well I know it.

Psalm 139:14
